Hands-free Car FM Transmitters for iphones/Samsung/HTC/other smart phones

- * Model: A10-B
- * Hands-free talking for all phones with 3.5mm earphon jack.
- * Built-in fm transmitter
- * Support TF card and USB flash drive.
- * With USB 5V output for charging
- * Work with Blackberry, other mobile phones & MP3/4, etc.
- * Clamshell blister package

- * Model: A10-SH
- * Built-in fm transmitter
- * Hands-free talking for all phones with 3.5mm earphon jack.
- * Support TF card and USB flash drive.
- * With USB 5V output for charging
- * Charging your phone when using
- * Work with Samsung/HTC, other mobile phones & MP3/5, etc.
- * Clamshell blister package

- * Model: A10-i5
- * Built-in fm transmitter
- * Hands-free talking for all phones with 3.5mm earphon jack.
- * Support TF card and USB flash drive.
- * With USB 5V output for charging
- * Charging your iphone5s/5c/5/ipods when using
- * Work with iphone5s/5c/5/ipods, other mobile phones & MP3/5, etc.
- * Clamshell blister package

- * Model: A10-i4
- * Charging your iphone4s/4/3gs/3g/ipods
- * Support TF card and USB flash drive.
- * With USB 5V output for charging
- * Hands-free talking for iphone4s/4/3gs/3g
- * Built-in fm transmitter, work with iphone4s/4/3gs/3g/i
- * Clamshell blister package

- * Model: A11
- * With USB 5V output for charging
- * Built-in fm transmitter
- * Support TF card.
- * Hands-free talking for cellphones with 3.5mm earphone jack
- * Giftbox package

- * Model: AD-B05
- * With USB 5V output, can charge iphones & other devices
- * Cellphone holder, compatible with most of smart phones.
- * Powered by Cigarette Lighter. 12V-24V.
- * 270 degrees rotation for horizontal & vertical positioning.
- * USB output voltage/current: 5V/(Max.)1A

- * Model: A08 (left) & A09 (right)
- * Hands-free talking
- * Built-in FM Transmitter with LCD-Display
- * With 3.5mm earphone plug
- * Built-in rechargeable lithium battery
- * Compatible with iPod/iPhone/mobile phones with 3.5mm earphone jack

Model: A08

Model: A09

- * **Model: A16**
- * Hands-free talking
- * Built-in FM Transmitter with LCD-Display
- * With 3.5mm earphone plug
- * Built-in rechargeable lithium battery
- * Compatible with iPod/iPhone/mobile phones with 3.5mm earphone jack

- * **Model: A13**
- * Mini FM Transmitter with LCD-Display
- * Charge iPhones5s/5c/5 when in use
- * Support iPhones5s/5c/5 hands-free talking
- * Data management

- * **Model: AD-930**
- * Built-in FM transmitter
- * Support SD/MMC card(Max 8GB) & USB flash drive
- * USB port provides 5V charging
- * Multi-languages: English, Chinese, French, German, Spanish, Portuguese, Russian, Dutch, Arabic.
- * With 7 preset EQ
- * Memory function for frequency/track number/volume

- * **Model: A12**
- * Hands-free talking
- * Built-in FM Transmitter with LCD-Display
- * With 3.5mm earphone plug
- * Built-in rechargeable lithium battery
- * Compatible with iPod/iPhone/mobile phones with 3.5mm earphone jack

- * **Model: A01**
- * Mini FM Transmitter with LCD-Display
- * Compatible with iPods/iPhones (with 30-pin plug)
- * Powered from iPod/iPhone (with 30-pin plug)
- * Low working current, no need of battery
- * Charge the iPods/iPhones when in use
- * With remote control

- * **Model: A02**
- * Mini FM Transmitter with LCD-Display
- * Compatible with iPods/iPhones (with 30-pin plug)
- * Powered from iPod/iPhone (with 30-pin plug)
- * Low working current, no need of battery
- * Charge the iPods/iPhones when in use
- * With remote control

- * **Model: A04**
- * Hands-free talking for iPhones (with 30-pin plug)
- * Compatible with iPods/iPhones (with 30-pin plug)
- * Powered from iPod/iPhone (with 30-pin plug)
- * Mini FM Transmitter with LCD-Display
- * Charge the iPod/iPhone when in use
- * With remote control

- * **Model: A05**
- * Hands-free talking for iPhones (with 30-pin plug)
- * Compatible with iPods/iPhones (with 30-pin plug)
- * Powered from iPod/iPhone (with 30-pin plug)
- * Mini FM Transmitter with LCD-Display
- * Charge the iPod/iPhone when in use
- * With remote control

- * **Model: A06**
- * Hands-free talking for iPhones (with 30-pin plug)
- * Compatible with iPods/iPhones (with 30-pin plug)
- * Powered from iPod/iPhone (with 30-pin plug)
- * Mini FM Transmitter with LCD-Display
- * Charge the iPod/iPhone when in use
- * With remote control

Car FM Transmitters (for SD card/USB flash drive/aux-in)

- * **Model: AD-600**
- * LED/LCD display
- * Built-in FM Transmitter, support MP3 file
- * Support SD Card/USB Flash Driver
- * Aux-in function
- * Full Frequencies (87.5-108.0MHz)
- * With remoter

- * **Model: AD-650**
- * LED/LCD display
- * Built-in FM Transmitter, support MP3 file
- * Support SD Card/USB Flash Driver
- * Aux-in function
- * Full Frequencies (87.5-108.0MHz)
- * With remoter

- * **Model: AD-680**
- * LCD display
- * Built-in FM Transmitter, support MP3 file
- * Support SD Card/USB Flash Driver
- * Aux-in function
- * Full Frequencies (87.5-108.0MHz)
- * With remoter

- * **Model: AD-660**
- * LCD display
- * Built-in FM Transmitter, support MP3 file
- * Support SD Card/USB Flash Driver
- * Aux-in function
- * Full Frequencies (87.5-108.0MHz)
- * With remoter

- * Model: AD-900
- * LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-870
- * LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-840
- * LED/LCD display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Aux-in function
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-860
- * LED/LCD display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Aux-in function
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-820
- * LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-830
- * LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-910
- * 1.44" LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-920
- * 1.44" LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-850
- * LED display
- * Input: DC 12V
- * Supports TF Card/USB Flash Drive
- * Built-in FM Transmitter, support MP3 file
- * 5 EQ modes
- * Full Frequencies (87.5-108.0MHz)

- * Model: AD-CM4-1
- * 1.8" TFT display
- * Supports MP3/WMA/JPG/BMP/SCV/AMV file
- * Support SD/TF/USB cards, 7 EQs
- * Full frequency in FM(87.5-108.0MHz)
- * USB2.0 High-speed data transmission
- * Auto power on/off function
- * Input: DC12-24V
- * With Remote control
- * Stereo Sound output

- * Model: AD-CM4-2
- * 1.8" TFT display
- * Supports MP3/WMA/JPG/BMP/SCV/AMV file
- * Support SD/TF/USB cards, 7 EQs
- * Full frequency in FM(87.5-108.0MHz)
- * USB2.0 High-speed data transmission
- * Auto power on/off function
- * Input: DC12-24V
- * With Remote control
- * Stereo Sound output

Car chargers for iPhones/Samsung/HTC/other smart phones

- * Model: AD-B01
- * Coiled cable design(cable length: about 85cm)
- * Compatible with iPhone 5s/5c/5 & iPads & iPods
- * Output: USB port (5V,2.1A) + cable (5V,1A)
- * Input: 12-24V, powered from car cigar lighter
- * Giftbox package

- * Model: AD-B03
- * Lightweight, compact design
- * Compatible with iPhone 5s/5c/5 & iPads & iPods
- * Output: USB port (5V,1A)
- * Giftbox package

- * Model: AD-B04
- * 3 cigarette sockets + 2 USB port.
- * Portable, Light Weight, Compact.
- * Power on/off design
- * USB output suitable for all devices
